Feel the gentle tropical breezes along Bora Bora, arguably the most beautiful island in French Polynesia.

Pape’ete, Tahiti, Society Islands

Pape’ete is the spirited capital of French Polynesia, framed by a seductive backdrop of forest-clad peaks. Tahiti’s quintessential South Pacific port is infused with a vibrant blend of Tahitian, French and Chinese cultural traditions.

Tahiti’s stunning West Coast is historically significant, notably the sacred 'Arahurahu site—French Polynesia’s only fully restored marae (ceremonial site)—and the beautifully landscaped Spring Garden of Vaipahi, which showcases 75 plant species, including precious māpē (Tahitian chestnut). Crystal-clear freshwater pools and fern-veiled caves represent Mara’a Grotto. The name Pape’ete translates to “water basket,” referencing a time in the island’s history when Tahitians came here to fill their calabashes (made from gourds) with fresh water.

Tahiti’s East Coast is the former home of American author James Norman Hall, best known for *Mutiny on the Bounty*. Point Venus on the north side of Tahiti was named for the Fort Venus observatory established by Captain James Cook in 1769.

Mo’orea Post-Program Option

Cover photo: Experience the natural beauty surrounding you in Bora Bora, with majestic lush peaks and hidden blue lagoons.

Photo this page: Choose to explore colorful coral reefs and look for exotic marine life, such as graceful double-saddle butterflyfish.
Mo’orea
Revered by Captain James Cook, the heart-shaped island of Mo’orea inspired Herman Melville’s novel *Omoo*, James Michener’s classic *Tales of the South Pacific* and the song “Bali Ha’i.” Admire this spectacular landscape of ancient volcanic peaks, lush valleys and emerald lagoons.

**Ra’iatea**
Ra’iatea, which translates to “faraway heaven,” served as the political and spiritual heart of the Society Islands in the precolonial era. Exalted as French Polynesia’s most sacred island and considered the ancestral home of the Māori, Ra’iatea is the legendary birthplace of ‘Oro, god of war and fertility.

The UNESCO World Heritage site of Taputapuatea is a well-preserved marae complex representing the intersection of the living and ancestral worlds. Experience the “ash-blue sky alive with stars” that Impressionist Henri Matisse so memorably described as you cruise along this second largest of the Society Islands.

**Tah’a**
Tah’a is framed by the profile of Mount Ohiri, named for Hiro, Polynesian god of sailors and thieves. Today, the world’s most flavorful vanilla beans and the region’s distinctive black pearl oysters provide the islanders’ livelihoods.

Savor sweet aromas wafting down from the island’s many vanilla farms on this captivating island. Enjoy views of *motu* (coral outlets) with pristine white sand beaches and overwater bungalows along tranquil cerulean waters. Includes a BBQ lunch on the private Motu Mahaea.

---

Enjoy stunning panoramas along this legendary South Seas idyll featuring birds of paradise, verdant hibiscus gardens and houses painted in pastel hues.

See the glittering ring of tiny motus with white sand beaches surrounding the seldom-visited island of Tah’a, a serenity awash with the soothing aroma of vanilla wafting from secluded plantations.
Bora Bora
The proverbial vision of paradise, Bora Bora’s basalt peaks cloaked in thick tropical forest rise from sparkling turquoise waters. On the shores of picturesque Fa’anui Bay, see the 15th-century marae of Fare Opu, adorned with petroglyphs of turtles, a sacred creature in French Polynesia. Bunkers constructed by American soldiers during World War II, when the main island served as a military supply base in the South Pacific under the name “Operation Bobcat” remain here.
In the island’s forested interior, local customs and traditions—including the Tahitian art of dyeing pareos (wrap-around garments)—are still practiced in the shadow of Mount Otemanu, Bora Bora’s highest peak. A catamaran departure from the ship for a Tahitian inspired dinner on the private Motu Tapu will be provided.

Huaheine
Idyllic Huaheine consists of two islands—Huaheine-Nui and Huaheine-Iti, or “big” and “small,” respectively—separated by a deep blue bay and ringed by a coral atoll. Just above Māeva, Mata’irea Hill preserves the greatest concentration of archaeological sites in French Polynesia.

Hilton Mo’orea Lagoon Resort & Spa
Post-Program Option
Extend your sojourn in French Polynesia for two nights and stay in the deluxe Hilton Mo’orea Lagoon Resort & Spa. Enjoy magnificent sunrises and sunsets from your spacious beachfront or overwater bungalow (choose from two categories). Observe abundant, colorful marine life on a reef excursion, experience the exotic fusion of fresh local seafood infused with French Polynesian flavors and enjoy the hotel’s overwater Toatea Bar, magnificent views, turquoise lagoons and wide array of watersports. This option includes accommodations, breakfast daily and round-trip ferry between Tahiti and Mo’orea.
The Post-Program Option is at additional cost. Details will be provided with your reservation confirmation.

Delight in breathtaking scenery in Ra’iatea, which translates to “faraway heaven.” Considered the cultural cradle of French Polynesia, the island’s verdant green mountains rise to the peak of the majestic Mount Temehani.

The turquoise waters, wind-sculpted peaks and white-sand beaches of French Polynesia have captivated visitors for centuries. A dreamscape long before explorers Captain James Cook, Samuel Wallis and Louis de Bougainville fell under their spell in the 1700s, this fabled earthly paradise was among the last places in the world to be settled by humans. Today, Tahitian folklore traditions and mythology are entwined with the legacy of Mā’ōhi ancestors, ancient Samoan mariners and European explorers who used the stars, sun, tides and flight patterns of birds to navigate the Pacific Ocean to these idyllic shores.

Seared into the collective consciousness by the paintings of post-Impressionist artist Paul Gauguin, this fantasia of 118 islands and atolls remains steeped in the legends of a polytheistic society. The French Polynesian reverence for nature coexists with time-honored agrarian traditions while the intersection of the material and spirit world is revealed in esoteric marae (ceremonial sites). Extolled for their mesmerizing landscapes and rich cultural traditions, the mystical pull of these serene isles is impossible to resist.
